

Technical drawing of a rectangular floor plan. The overall dimensions are 6000 (width) and 2200 (height). The drawing shows a grid of lines representing structural elements. The width is divided into 12 segments of 160 units each, with 320-unit segments at the ends. The height is divided into 12 segments of 150 units each, with 200-unit segments at the top and bottom. The drawing is a black and white line drawing with a grid of lines.

CARACTERÍSTICAS FÍSICAS (Tolerancias según EN 10080)	
Peso / panel:	56,427 kg/panel
Peso / m²:	4,274 kg/m²
